How to use this provider directory.

How do I choose a Primary Care Provider?

Use this directory to choose a Primary Care Provider (PCP). If you don't find your PCP listed or need help choosing one, call Member Services at **1-855-TX-RIGHT (1-855-897-4448)**. Your PCP is your home for healthcare. Your PCP can arrange specialty care as needed.

How do I get Obstetrician/Gynecologist (OB/GYN) services?

Women have the right to select an obstetrician/gynecologist (OB/GYN) without a PCP referral. You can pick any OB/GYN from this directory or by calling Member Services at **1-855-TX-RIGHT (1-855-897-4448)**. For the best care possible, we suggest you go to the same OB/GYN each time you need services so that he or she can get to know you and take care of you and your child the best way possible. OB/GYN healthcare services include:

- One well-woman checkup each year.
- Care related to pregnancy.
- Care for any female medical condition.
- Referral to specialist within the network.

How do I get behavioral (mental) health and substance abuse treatment?

- You can get behavioral (mental) health and substance abuse services without a referral from your PCP.
- To use these services, call RightCare from Scott and White Health Plan toll-free at **1-855-TX-RIGHT (1-855-897-4448)**.

How do I get family planning services?

You can go to any family planning provider who takes Medicaid. You do not need to ask your PCP. Even if you are under 21, you do not have to ask your parents' permission before getting help. If you have questions or need help finding a family planning provider, call Member Services at **1-855-TX-RIGHT (1-855-897-4448)**.

Questions?

For more information about the pharmacies, hospitals, specialists, and other providers in RightCare from Scott and White Health Plan's network, you can call us at **1-855-TX-RIGHT (1-855-897-4448)** or look on our website at **RightCare.SWHP.org**. You can also contact RightCare for a list of additional providers, such as laboratory and radiology specialists, that are not listed in this provider directory.

Cómo usar este directorio de proveedores.

¿Cómo escojo a un Proveedor de Cuidado Primario?

Use este directorio para seleccionar un Proveedor de Cuidado Primario (PCP). Si no encuentra a su PCP en la lista o necesita ayuda para escoger uno, llame a Servicios para Miembros al [1-855-897-4448](tel:1-855-897-4448). Su PCP es su lugar principal para la atención médica y él o ella puede coordinar la atención de un especialista si es necesaria.

¿Cómo obtengo los servicios de un ginecólogo/obstetra?

Las mujeres tienen derecho a escoger un ginecólogo/obstetra sin una recomendación médica de su PCP. Usted puede seleccionar cualquier ginecólogo/obstetra de este directorio o también puede llamar a Servicios para Miembros al [1-855-897-4448](tel:1-855-897-4448). Para obtener la mejor atención médica posible, le sugerimos ir al mismo ginecólogo/obstetra cada vez que necesite los servicios para que él o ella pueda conocerla y prestarle el mejor cuidado tanto a usted como a su bebé. Los servicios médicos de un ginecólogo/obstetra incluyen:

- Un examen preventivo al año.
- Una recomendación médica para los servicios de especialistas de la red.
- Atención relacionada con el embarazo.
- Atención relacionada con padecimientos médicos de la mujer.

¿Cómo obtengo tratamiento para problemas de salud mental y abuso de sustancias?

- Puede obtener servicios de salud mental y abuso de sustancias sin una recomendación médica de su PCP.
- Para usar estos servicios, llame gratis a RightCare de Scott and White Health Plan al [1-855-897-4448](tel:1-855-897-4448).

¿Cómo obtengo servicios de planificación familiar?

Puede visitar a cualquier proveedor de planificación familiar que acepte Medicaid. No tiene que preguntarle a su proveedor de cuidado primario. Hasta si tiene menos de 21 años, no es necesario el permiso de los padres antes de obtener la atención. Si tiene alguna pregunta o necesita ayuda para encontrar un proveedor de planificación familiar, llame a Servicios para Miembros al [1-855-897-4448](tel:1-855-897-4448).

¿Preguntas?

Para más información sobre las farmacias, hospitales, especialistas y otros proveedores en la red de RightCare de Scott and White Health Plan, puede llamarnos al [1-855-897-4448](tel:1-855-897-4448) o buscar en nuestro sitio Web en RightCare.SWHP.org. También puede comunicarse con RightCare para obtener una lista adicional de proveedores, como laboratorios y especialistas de radiología, que no están en este directorio de proveedores.
